

# HORTI B++

PLANT GROWTH LUMINAIRE

IK 10	IP 65	230V 50Hz	CE
----------	----------	--------------	----

Horti luminaires are a family of linear luminaires for applications in plant growing.

A properly selected light spectrum supports the plants growth during the seedling, flowering or fruiting phase, and thanks to the use of a unique solution - modulated light source - Horti luminaires are maximally efficient and economical.

### Applications:

Illuminating flowers, vegetable and fruit crops

Name	Power	Luminous flux	Average power	Protection class
HORTI B++	300W/20W	840 μmol/s	140W	I

**Installation:** surface mounted

**Supply voltage:** 230V AC / 50-60Hz

**Ambient temperature range:** -20°C...+40°C

**Lifetime L90B10:** 70 000h

**Power factor:** >0,97

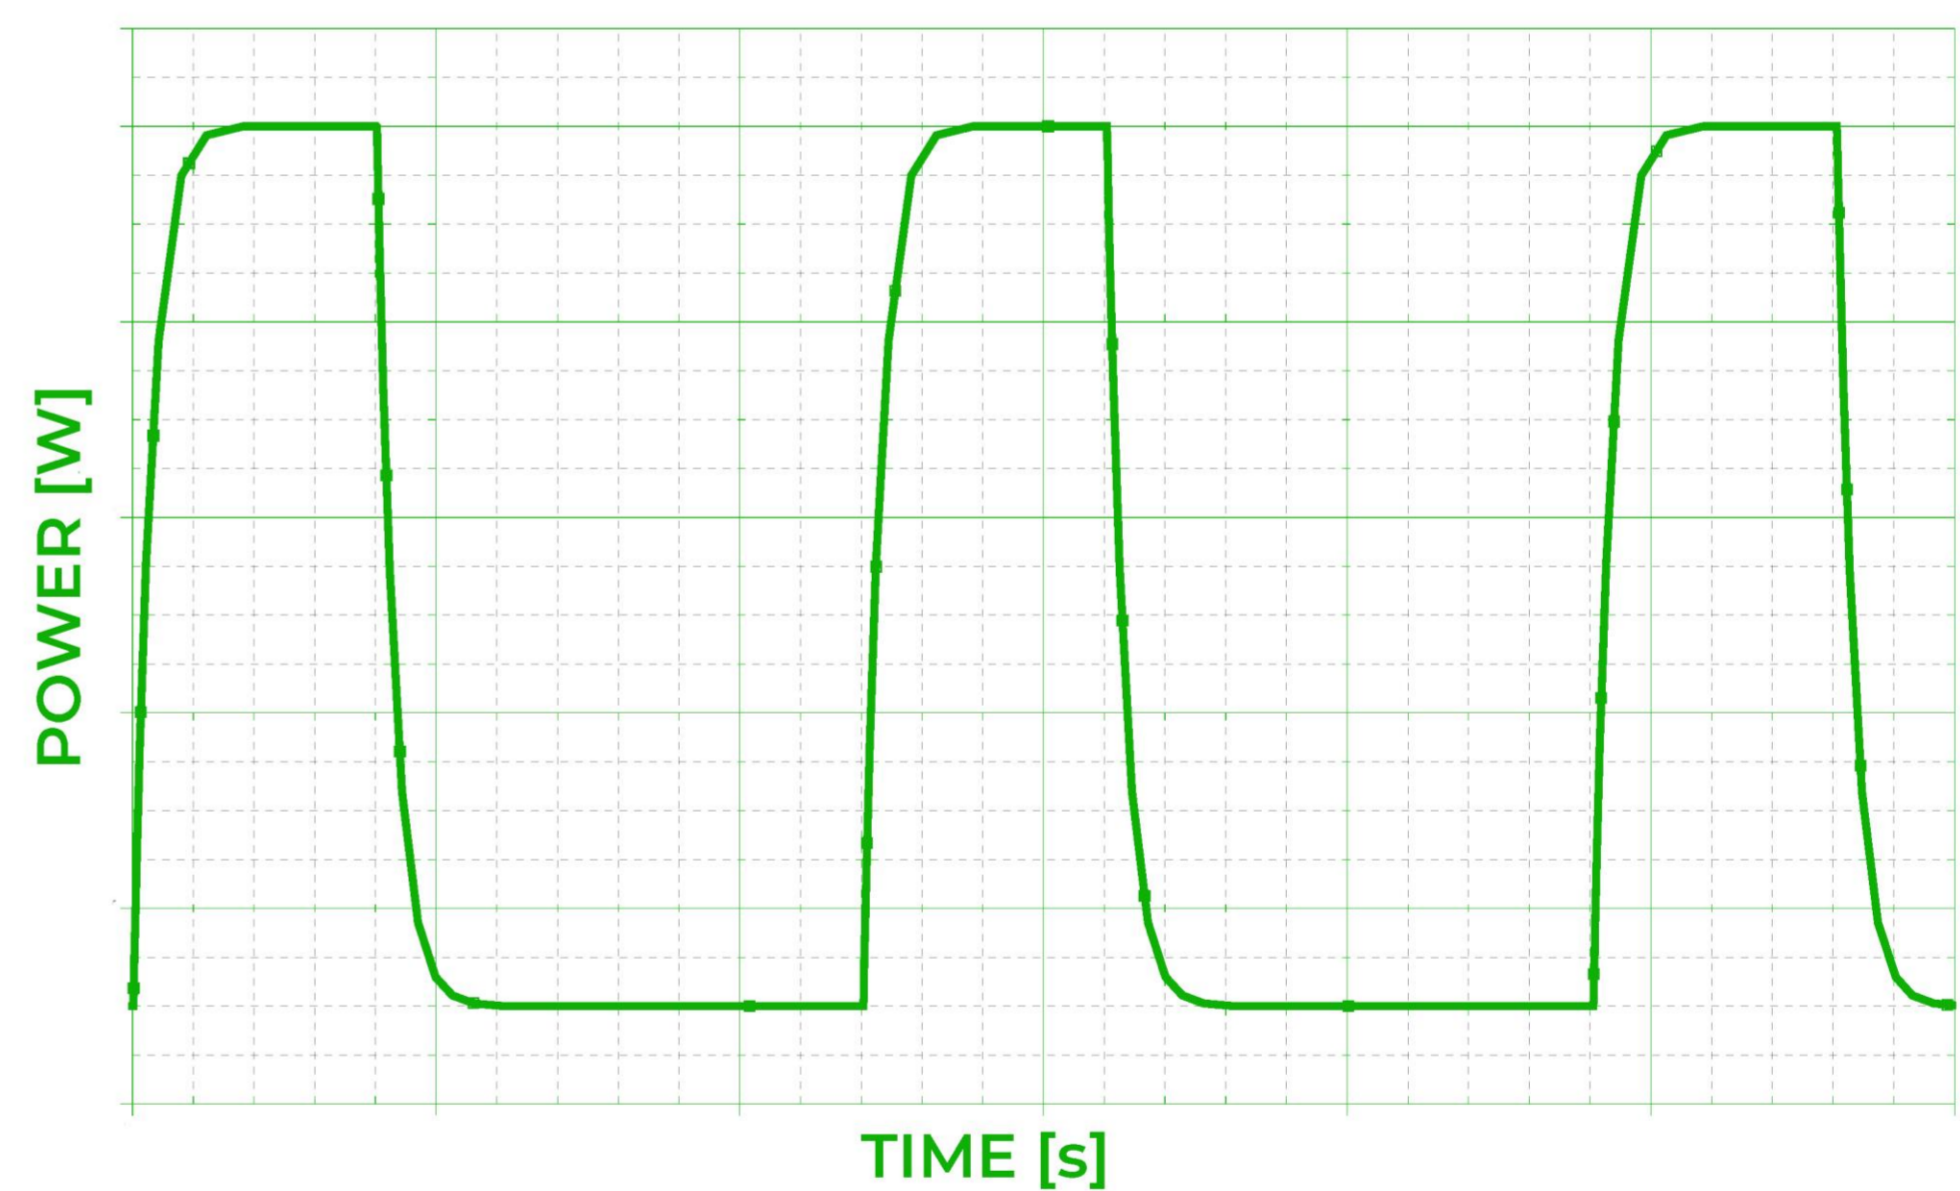

**Cooling:** passive

**Housing:** aluminum, tempered glass, PC

**Warranty:** 5 years

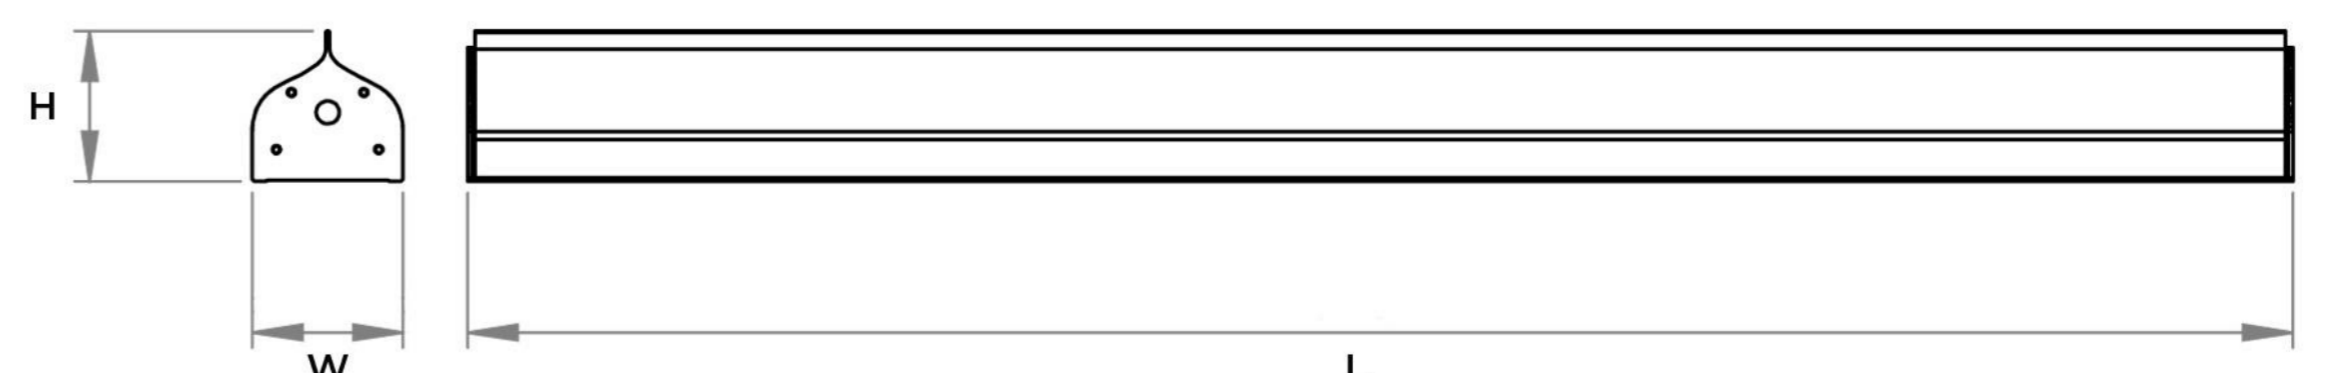

### Time period:

### Dimensional drawing:

Name	Extrenal dimensions(mm)			Weight
	L	H	W	
HORTI B++	1510	99	86	5 kg

Luminous flux tolerance +/- 10%
